University Hospitals Elyria Medical Center President Named to Prestigious List of Women Leaders

ELYRIA, OH – Charlotte Wray, MSN, RN, MBA, President of University Hospitals Elyria Medical Center, has been named to Becker’s Hospital Review’s list of 130 Women Hospital and Health System Leaders to Know for 2016. The list features highly accomplished C-suite level women leaders from across the U.S.

Selected by the Becker’s Hospital Review editorial team, included leaders have demonstrated outstanding leadership and management throughout their careers, spearheading initiatives to improve their organizations’ quality, operational and financial performance, as well as the well-being of the communities they serve. Becker’s Hospital Review has published a version of this list since 2009. This is Ms. Wray’s second consecutive appearance on the list.

The full list – including individual profiles of all 130 women leaders – can be found [here](#).

About University Hospitals Elyria Medical Center

Founded in 1908, University Hospitals Elyria Medical Center is a 387-licensed bed hospital with additional campuses in Amherst, Avon and Sheffield Village. Part of the University Hospitals health system, UH Elyria Medical Center offers patients access to UH Case Medical Center, a nationally recognized academic medical center, as well as programs from internationally recognized centers of excellence such as UH Rainbow Babies & Children’s Hospital and UH Seidman Cancer Center. UH Elyria Medical Center has been designated a certified primary stroke center by the Joint Commission, and in 2016 received the American Heart Association’s Mission: Lifeline® Gold Receiving Quality Achievement Award for its treatment of heart attack patients. Additionally, the hospital received the American Heart Association/American Stroke Association’s Get With The Guidelines®-Stroke Silver Plus Quality Achievement Award with Target: StrokeSM Honor Roll. About Becker’s Hospital Review

Becker’s Hospital Review is a monthly publication offering up-to-date business and legal news and analysis relating to hospitals and health systems. Articles are geared toward high-level hospital leaders, and we work to provide valuable information, including hospital and health system news, best practices and legal guidance specifically for these decision-makers. Each issue of Becker’s Hospital Review reaches more than 18,000 people, primarily acute care hospital CEOs, CFOs and CIOs.
