

## **FOR IMMEDIATE RELEASE**

### **Akron Children's Hospital to provide pediatric cardiology services in Lisbon**

**AKRON, Ohio (March 26, 2019)** – Cardiology services for children and young adults will be offered at Akron Children's Hospital Pediatrics' Lisbon office starting April 5.

Pediatric cardiologist Dr. Meagan Peek will see patients two Fridays a month at the office, located at 400 N. Main St. Services will include echocardiograms, EKGs and placement of home monitoring devices such as Holter monitors and loop monitors.

The new service in Lisbon is in addition to cardiology services that Akron Children's already provides in the Mahoning Valley in Boardman and Warren. The expansion of services will offer care closer to home for patients and families in Lisbon, Steubenville and the surrounding areas.

From diagnosis and medical management of common cardiac disorders to therapies for complex congenital heart conditions, Akron Children's Heart Center is committed to providing the most advanced medical and surgical care for infants, children and teens with all forms of congenital and acquired heart disease.

For a cardiology appointment in Lisbon, call 330-543-8521. A referral from a primary care provider is required.

### **About Akron Children's Hospital**

Akron Children's Hospital is ranked among the best pediatric hospitals by U.S. News & World Report. Founded in 1890, Akron Children's is an independent children's hospital with two hospital campuses in northeast Ohio and more than 60 primary, specialty and urgent care locations. Akron Children's collaborates with many community partners to bring its neonatal and pediatric expertise to patients in their healthcare facilities. The hospital, which had more than a 1 million patient visits in 2018, also cares for children through its home care and school health programs, and advances pediatric health care through education, advocacy, community service and research.
