

FOR IMMEDIATE RELEASE

Adena to Open Second Circleville Location

CIRCLEVILLE, OH (Apr. 1, 2019) – To accommodate the community’s growing need for close-to-home specialty care, Adena Health System will open its second location in Circleville this month. Adena Specialty Clinic – Circleville will be located within the Herald Square complex, 798 N. Court Street, Circleville. This location housed Adena’s original Circleville facility from 2009 to 2016.

“Adena providers and staff have been caring for patients in Circleville for 10 years,” said Adena President and CEO Jeff Graham. “We have established a dedicated panel of patients who are benefiting from the skill and caring of Adena caregivers, right in their local community. Committed to meeting the needs of our patients in Circleville and Pickaway County, Adena providers are in the community, delivering close-to-home, high-quality expertise in managing primary care, and a variety of specialty conditions.”

Graham added, “Our goal of keeping health care close to where our patients live and work has led to a growing need for specialty care in our regional health centers. By opening a second location in Circleville, to house our specialists, we can assure our patients will have greater access to specialty care; and our providers will have the space and time they need to spend with their patients, while managing their conditions.”

The Adena Specialty Clinic – Circleville will open on Monday, April 15. Specialty services available at the 798 N. Court St. location will include:

- Cardiology
- Dermatology
- Nephrology
- Obstetrics and Gynecology
- Urology
- Vascular Surgery

Adena Health Center – Circleville, located at 140 Morris Road, will continue to house primary care, laboratory and imaging services. Specialists for Interventional Pain Management and Sports Medicine will also remain at the Morris Road location for easy access to X-ray and other imaging services.

To make an appointment with a provider serving Circleville and Pickaway County, call (740) 420-3000.

Adena Health System is an independent, not-for-profit and locally-controlled health care organization serving the needs of people living in nine counties of south-central Ohio. It employs more than 3,000 people. Adena provides specialty services typically found in larger medical centers, including: robotic surgery, open heart surgery, cardiac catheterization, cancer care and advanced orthopedic procedures. Adena has been named in America's 250 Best Hospitals for 2019 by Healthgrades™; a Gallup Great Workplace; and is four-star rated for quality by the Center for Medicare and Medicaid's Hospital Compare survey. Based in Chillicothe, OH, the health system includes three hospitals, six regional clinics and multiple primary care and specialty clinics.
