FOR IMMEDIATE RELEASE: Monday, April 1, 2019

### **FISHER-TITUS ANNOUNCES VICE PRESIDENT, AMBULATORY OPERATIONS**

Jason J. Schreiber will be joining Fisher-Titus as Vice President of Ambulatory Operations according to Fisher-Titus President and CEO Dr. Brent Burkey.

“We are very pleased to welcome Jason as Vice President of Ambulatory Operations,” said Dr. Burkey. “Jason’s expertise will allow us to focus on supporting and expanding the services we provide in our ambulatory practices and with our senior services.”

As Vice President of Ambulatory Operations, Schreiber will provide administrative development, business oversight and leadership of all ambulatory operations for Fisher-Titus, including Fisher-Titus Medical Care, Fisher-Titus Senior Services which includes the Norwalk Memorial Home the Carriage House as well as Fisher-Titus Home Health Center.

Schreiber’s extensive healthcare history includes his recent Director of Primary Care role at Lakeland Regional Health Physician Group (Lakeland, Florida). Prior to that, Jason worked as the Regional Director, Emergency Medicine and Life Flight Network for MetroHealth in Cleveland and with University Hospitals Cleveland as a Business Manager for the Primary Care Institute.
