Certified Nurse Practitioner Joins Memorial Medical Group

Chelsea Nash to begin seeing patients May 20

Marysville, Ohio – Memorial Health today announced Chelsea Nash, Certified Nurse Practitioner, will be treating patients at the Memorial Internal Medicine practice effective May 20, 2019.

Nash completed both her RN and Master of Nursing degree from The Ohio State University College of Nursing. She has been a Certified Nurse Practitioner for two years, and comes to Memorial with experience providing high-quality patient care in a primary care setting. Nash will provide a full-range of patient care services, treating individuals with acute illnesses or those patients with advanced chronic conditions. Diabetic patients will certainly benefit from her knowledge as well, as she understands their needs and can help with the complexities of this disease.

All of the providers at Memorial Internal Medicine are accepting new patients – appointments can be made by calling the office at (937) 642-1550.

Memorial Health is an independent health system based in Marysville, Ohio, which consists of Memorial Hospital's main campus and satellite outpatient locations including Memorial City Gate Medical Center; Memorial Urbana Medical Center; Memorial Hospital Outpatient Surgery Center; Memorial Gables – a skilled nursing facility; Memorial Medical Group – a network of 31 physicians and mid-level providers with office locations throughout Marysville, Plain City, Richwood, and Urbana; and the Memorial Health Foundation.
